## Investment opportunities in Portugal

Tax benefits for non regular residents

Special resident permit for investment activities

## TAX OPPORTUNITIES IN PORTUGAL

In the past years, Portugal has become competitive as an investment base, by the substantial increase of tax benefits on international taxation.

### **i. Non-Regular Resident regime (NRH)**

The non-regular resident regime is aimed for the new comers to Portugal, that bids excellent tax opportunities for passive income, foreign pensioners, employment and independent personnel services.

When compared internationally with other favorable tax regimes it's a highly complete regime.

It's also beneficial for pensioners and high qualified workers.

### **ii. Residence Permit for Investment Activity (ARI / Golden Visa)**

The "Golden Visa regime it's a fast track for foreign investors from non-EU countries in order to acquire a valid residency permit in Portugal – Golden Visa.

The residency permit will allow the investor and his family members to enter and/or live in Portugal as well as to travel freely within the European countries (Schengen space).

The Golden Visa regime is a very straightforward and flexible program.

It's one of the most attractive resident permit program for investors in the world.
